The Tiger

1962

Jimmy

We, the annual staff of 1962, have compiled this book in hopes that it brings many happy memories of the year '62.

DEDICATION

It is with our sincerest gratitude that we, the 1962 Annual Staff, dedicate this book to Mr. N. O. Steelman. We salute his integrity, unselfishness, honesty, and the interest that he shows in all phases of his school and community life. He has made much progress in the past five years in the Science Department of our school. This progress is greatly appreciated, not only, by the student, but by the faculty and community as well. It is with thankful hearts that we write this dedication and say, "God bless you, Mr. Steelman."

Superintendent's Message

Educational opportunities for each of you are greater than ever, but so are the requirements to qualify for the challenge of success.

We hope that we have been able to provide the learning experiences for each of you that will be most significant in your success.

As you look through this annual may many pleasant memories be recalled.

May your efforts be rewarded by being able to meet successfully the opportunities that confront you.

Willie Pigg
Supt. of Schools

The Principal's Message

TO THE STUDENTS OF MANSFIELD HIGH SCHOOL:

Your education is our deepest concern, and it is our purpose at Mansfield High School to help you in making the most of your opportunities for education. But much of what you do with your life depends upon you. Choose your goals, accept your responsibilities, and be assured that you can count on your parents, your teachers, your school, and your community to help you to achieve what you want most for your life.
